Re: *United States v. Nicholas Alvarez*
S3 11 Cr. 169 (VB)

Dear Judge Briccetti:

The Government writes to request a brief adjournment of the date by which it must file its sentencing submission. Under the current schedule, the Government's submission is due Monday, September 23. The parties just received a copy of the final Presentence Report this afternoon. The Government requests an additional two days so that we may review the PSR and incorporate its findings into our sentencing submission. Defense counsel has no objection to this request, but likewise asks that they have an additional two days (until October 2, 2013) to file their reply.
